

Dear colleagues, friends, proud members of Pacific Coast Chapter of WOCN® Society.

Our elections will start in October.

- I wanted to tell you that besides getting PGP points toward WOCN re-certification, as a member of Board of Directors you'd have an opportunity for a Great networking, mentorship, and an opportunity to help guide PCR WOCN®.
- There is no better feeling in professional life than being able to bring your ideas to the table, act on them in collaboration with your peers and make it happen. This is what you get from being a member of the Board.
- With the new exciting 1 year positions of Do Education Elect and Treasurer Elect, you'd get enough time to learn from the best and prepare for the position.
- You might think that a 3-4-year term is too much, but looking at our lives, time is just flying and when you see changes you make, you get your satisfaction.
- So, pick a position that works for you and send your application. Get on the way to make our small world a better place.
- Please send your applications to [pcrofwoen.president@gmail.com](mailto:pcrofwoen.president@gmail.com)
- This year we are looking for a candidate for President Elect. We'll need Do Education Elect; Treasurer Elect and Secretary for next year.
- We are all looking forward to working with you.

Nataliya Lebedinskaya – President of PCC
